

Data to Decisions

Accelerating Business Outcomes with AI

Flyer

Simplify Data, Scale AI, Deliver Results with Microsoft Fabric

Do you face these challenges?

- Struggling to align data/AI strategies with business goals?
- Unsure how to turn data into actionable AI insights?
- Wasting time on manual data handling?

Business-first, AI-driven

We align Microsoft Fabric with your business objectives, ensuring actionable insights and measurable AI outcomes for every team.

Our AI-powered data pipeline platform Amaze® for Data & AI is a game changer, enhancing every stage of your data lifecycle—from ingestion to insights.

GenAI Copilots & Accelerators

With GenAI copilots, metadata-driven frameworks, and AI-accelerated insights, we eliminate bottlenecks and reduce time-to-insight, enabling faster decision-making.

Additionally, speed up adoption with our automated assessment tool and TCO calculator – for instant insights on data readiness and cost optimization.

Globally Trusted Expertise

As a Microsoft Fabric featured partner, we bring expertise backed by over 10 global success stories and a team of 250+ certified Fabric consultants globally.

Our Speaker Session at Microsoft #FabCon

March 31, 2025

3:00-4:00PM

AI Copilots: Accelerating Business Outcomes with Fabric

In this session, Hexaware demonstrates how Microsoft Fabric is changing the way your enterprise interacts with data using Hexaware's GenAI copilots. These AI assistants simplify data for enterprise users, including data/AI engineers, architects, data stewards, and business users. Learn how Hexaware's GenAI copilots, Fabric readiness assessment tool, and TCO calculator accelerate data/AI pipeline creation and insights for your business. Additionally, discover real-world transformations in financial services that enable GenAI-powered insights, derive a business glossary, and create pipelines using Hexaware AI copilots for Microsoft Fabric.

How Hexaware Accelerates Your Move: Microsoft Fabric Services

Empower your data & AI journey with us

Advisory and Roadmaps

Get expert Microsoft Fabric workshops and in-depth assessments to make the most of your new, unified AI platform.

Frictionless Implementation

Your adoption of Fabric can be a breeze. Ensure minimal disruptions and fast alignment with business outcomes.

Accelerate AI Adoption

From building a strong AI foundation to bringing AI models into operation, speed up AI readiness for real impact.

Executive Briefing on Microsoft Fabric

4-Hour Briefing

Empower leaders with strategic insights for adopting Microsoft Fabric effectively.

Microsoft Fabric Workshop: Analyst in a Day

8-Hour Workshop

Hands-on training for analysts to master Fabric's AI-powered analytics platform.

Comprehensive Assessment for Fabric Adoption

4-Week Consultation

Comprehensive consultation to fast-track a seamless Microsoft Fabric adoption.

Ignite Data Potential with a Proof of Concept

4-Week Engagement

Determine Microsoft Fabric's value with a tailored prototype solution for enterprise analytics.
