Why Hexaware for SAP Analytics Cloud?

Hexaware brings a proven blueprint for SAP Analytics Cloud (SAC) success—combining technical precision, strategic guidance, and deep domain expertise to help enterprises make confident, data-backed decisions.

Our Approach: Business Outcomes First

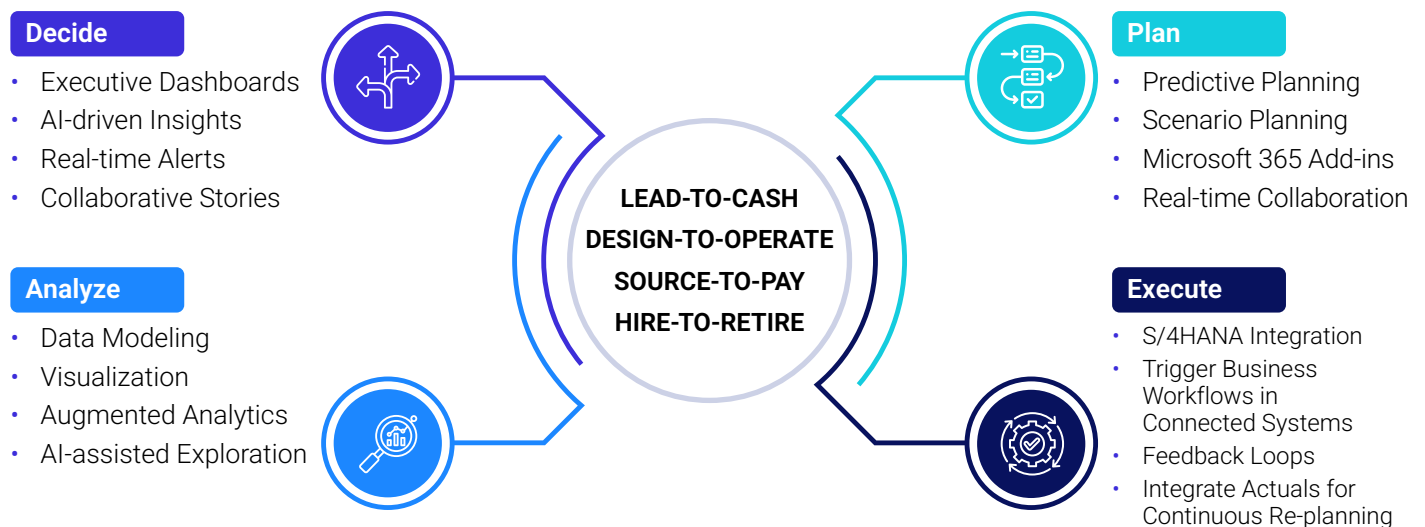

- **Fast Time to Value:** Accelerated deployment frameworks, prebuilt dashboards, and industry templates for SAP Analytics Cloud implementation.
- **Seamless SAP Integration:** Deep experience with SAP Analytics Cloud integration, connecting SAC to S/4HANA, Ariba, SuccessFactors, BW, Datasphere, and non-SAP systems for holistic insights.

With 25+ years of SAP delivery experience and accelerators tailored for SAC, we help you move from siloed data to unified intelligence—faster, and with less risk.

Full Lifecycle Partnership

From planning and SAP Analytics Cloud implementation to enablement, support, and scale, Hexaware supports enterprises through every step.

SAP Analytics Cloud enables closed-loop decision-making across Plan, Analyze, Decide, and Execute—supported by Hexaware’s deep SAP expertise and next-gen cloud analytics platform capabilities.

Data Compatibility: SAP & Non-SAP Data
