

HEXAWARE

Education Advisory & Implementation

International Branch Campus (India)

Flyer

Launch your international university campus in India in as little as 6 months

Be first to market with a compliant, scalable India campus that feels like an extension of your home university—digitally, operationally, and academically.

The Opportunity

India's new FHEI framework has opened the door for top global universities to set up full campuses—creating a unique window to build presence, brand, and access to talent at scale.

If your university has approvals in progress—or you're exploring GIFT City, Mumbai, Bengaluru, Chennai, or other locations—we'll help you move fast and de-risk the path from decision to day-one operations.

Why Hexaware

You'll get a single, accountable partner to navigate regulations, design a digital-first campus, and run day-one operations. We bring deep India execution know-how, higher education technology expertise, and global delivery at speed.

What You'll Get

Regulatory clarity, fast

Guidance on UGC/DPDP pathways, approvals, and higher-ed compliance for a smooth launch.

Ready-to-run digital ecosystem

Admissions, SIS, finance/ERP, learning, identity, data, and security—India-ready, parent-campus aligned, seamlessly integrated.

Predictable delivery

Proven blueprint, reference architecture, and milestone-based execution to de-risk spend.

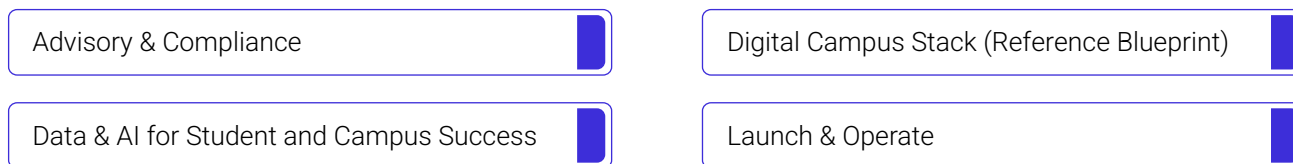

Local execution

Procurement, partner orchestration, and campus-IT readiness across India, including infrastructure services.

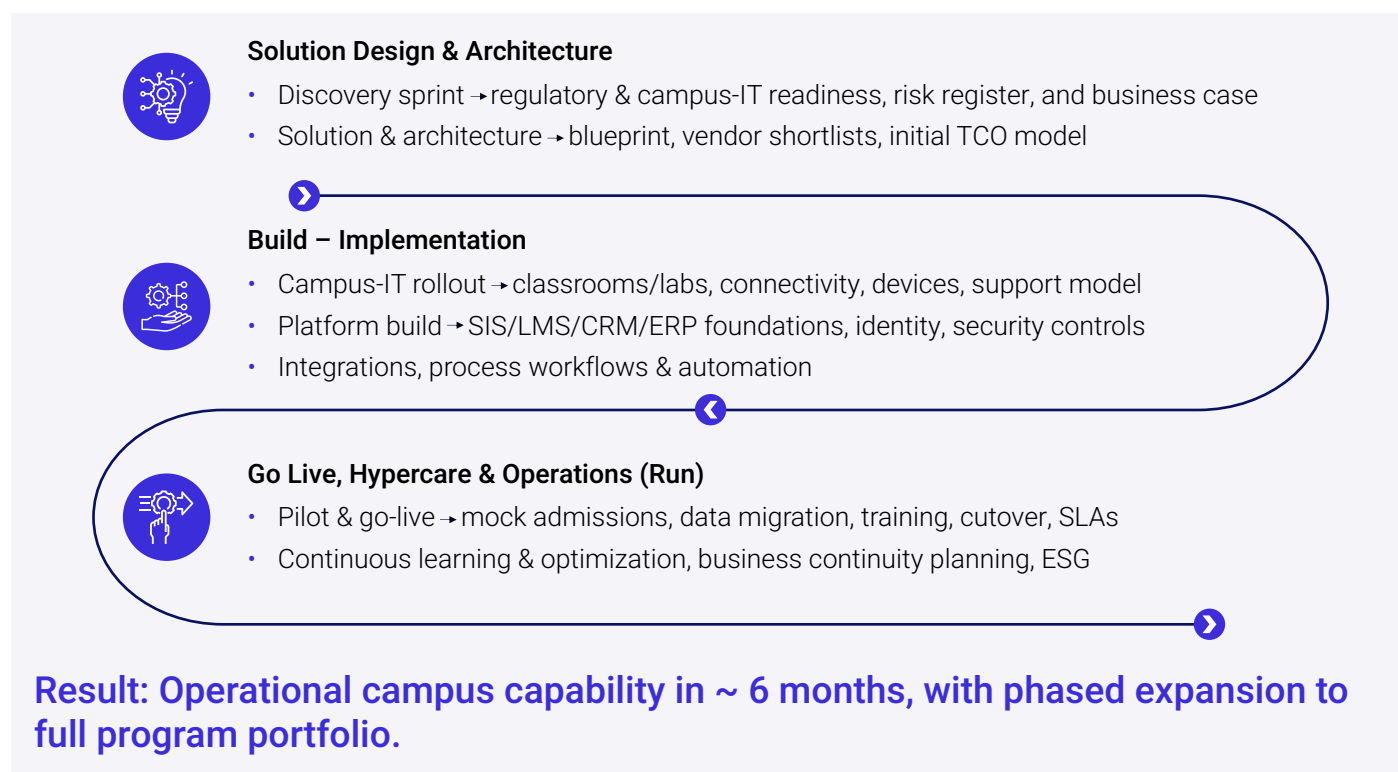

Day-one operations

Runbooks, SLAs, and managed operations so your teams focus on academics and growth.

What We Deliver

How We Deliver It (Engagement Roadmap)

Partner With Hexaware For

- Discovery & Launch Plan:** 2–3 weeks, with roadmap, TCO, and risk plan
- Phased Implementation:** Outcome-based milestones for platforms and campus-IT

About Hexaware

Hexaware is a global technology and business process services company. Every day, Hexawarians wake up with a singular purpose: to create smiles through great people and technology. With this purpose gaining momentum, we are well on our way to realizing our vision of being the most loved digital transformation partner in the world. We also seek to protect the planet and build a better tomorrow for our customers, employees, partners, investors, and the communities in which we operate.

With offices across the world, we empower enterprises to realize digital transformation at scale and speed by partnering with them to build, transform, run, and optimize their technology and business processes.
